## CARMEL WHELAN

Carmel was a founding member of Lucan District Credit Union in 1968. She served on the board of the credit union, in various capacities, for 5 years. In 1973 she became the first full-time manager of the credit union.

During her time with the credit union Carmel saw much change with the rapid growth of Lucan itself and the growth in membership. She oversaw the introduction of the first computer system for the credit union in 1991.

Carmel was dedicated to the credit union movement and to the development of Lucan District Credit Union for 24 years.
